

# Ziad Sameh Elnaggar

Mechatronics Engineering Undergraduate

ziad.elnaggar@gmail.com | Phone: +201227713114 | linkedin.com/in/ziadelnaggar01

## OBJECTIVE

As a motivated Mechatronics Engineering student, I am eager to expand my knowledge and continuously develop my practical skills. I am always excited to explore innovative technologies and solve real-world challenges. I actively seek internship opportunities where I can contribute to impactful projects while learning from industry experts.

## EDUCATION

### The German University in Cairo (GUC)

*Bachelor in Mechatronics Engineering*

Cairo, Egypt

Oct 2023 – Jun 2028

- Enrolled with a scholarship for outstanding academic performance in high school.
- Cumulative GPA: 0.70 (German Scale, equivalent to 4.0/A+).
- Ranked 2nd in the Mechatronics Engineering department.

### Al Bashaer International School

*International General Certificate of Secondary Education (IGCSE)*

Cairo, Egypt

Sep 2020 – Jun 2023

- Graduated with a score of 135.625%.
- Achieved the highest mark in the world in Advanced Level Mathematics and Advanced Level Arabic.

## EXPERIENCE

### Junior Teaching Assistant

*The German University in Cairo*

Sep 2024 – Present

Cairo, Egypt

- Assisting the course instructor during course lab sessions.
- Responding to student inquiries.

### Cooperation of Heterogeneous Agents in Industrial Applications Workshop

*University of Stuttgart*

Nov 2024 (2 weeks)

Stuttgart, Germany

- Worked on integrating TurtleBot3, Unitree Go1 Robodog, and Franka Emika Panda to perform a sequential pick up and place operation in a smart factory.
- Set up PCs and installed ROS dependencies for project configuration.
- Developed control solutions for OpenManipulator X and integration node.

### Robotics Instructor (Part-Time)

*Mawaheb Academy*

Aug 2023 – Nov 2023

Cairo, Egypt

- Instructed students from different backgrounds on Arduino basics, including electricity, circuits, and coding.
- Engaged students with practical and illustrative robotics lessons.
- Evaluated students, provided feedback, and worked with peers to foster a good learning atmosphere.

### Camp Administrator (Freelancer)

*Wellspring Egypt*

Nov 2021 – Present

Cairo, Egypt

- Procured and managed materials and equipment for camp activities.
- Ensured quality and safety of equipment.
- Coordinated food delivery and distribution for participants.

## PROJECTS

### GUC Innovators - Car for Shell Eco-marathon 2025

2024

- Responsible for the high-voltage system of the powertrain.
- Collaborating with the team to build a high-efficiency car for the event.

### Jarvis (RoboCup Junior Robot)

2024

- Developed a robot named Jarvis for the RoboCup Junior competition in the Rescue Maze category.
- Led the design and implementation of Jarvis' autonomous navigation and decision-making algorithms.
- Worked on image detection models to enhance Jarvis' environment recognition capabilities.
- Integrated sensors and actuators for real-time environment mapping and decision-making.

## COURSES

---

### Machine Learning Specialization

Coursera

*By Andrew Ng – Offered by Stanford University and DeepLearning.AI*

2025

- Learned Supervised Machine Learning (Regression, Classification, Scikit-learn, NumPy, Pandas).
- Studied Advanced Learning Algorithms (Deep Learning, TensorFlow).
- Explored Unsupervised Learning, Recommenders, and Reinforcement Learning.

### MATLAB Onramp

MathWorks

*Introductory tutorial on MATLAB features and workflows*

2025

- Learned the MATLAB language and environment for analyzing science and engineering data.
- Got hands-on experience with commonly used MATLAB tools and workflows.

## TECHNICAL SKILLS

---

**Software:** ROS, GIT, Docker, Arduino IDE, Adobe Photoshop, Adobe Premiere, Microsoft Office

**Programming Languages:** Python, Java

**Languages:** Arabic (Native), English (Bilingual), German (Basic)

## HONORS AND AWARDS

---

- Extra Exceptional Scholarship by DAAD and GUC for outstanding academic performance (2025).
- Egypt's Champion in RoboCup Junior Egypt 2024 (Rescue Maze category).
- GUC Academic Excellence Award (2024).
- Outstanding Pearson Learner Awards (2023, 2024) in Advanced Level Mathematics and Advanced Level Arabic.
- Honored by the Egyptian Minister of Education for academic achievements (2023).

## EXTRACURRICULARS

---

### Power-Train & Electrical System Member, GUC Innovators

2024 – Present

*German University in Cairo*

*Cairo, Egypt*

- Responsible for high-voltage system design in the Electrical and Powertrain track.
- Develop and test power distribution networks, motor controllers, and embedded systems for EV projects.
- Oversee manufacturing to ensure quality and reliability of electrical components.

### Technical Team Member, Cura Club

2025 – Present

*German University in Cairo*

*Cairo, Egypt*

- Contributing to the fabrication of an in-house Myo band using EMG sensors to control a prosthetic mechanical arm.

### Member, IEEE GUC Student Branch

2024 – 2025

*German University in Cairo*

*Cairo, Egypt*

- Participated in the Data Analysis and Embedded Systems tracks, gaining hands-on experience in both fields.

### Member, Students' Senior Committee

2020 – 2021

*High School*

*Cairo, Egypt*

- Organized school trips, collaborated with businesses, and managed senior uniform production and distribution.
